VETERAN'S DAY

On November 11, Ms. Jovita Paulino coordinated the 2019 Veteran's ceremony at the Veteran's Memorial Park. The event featured Vietnam veteran Mr. William Cing as the emcee, our Honorable Mayor Edwin Aldan who gave the welcoming remarks, and Lt. Col. Barcinas from the island of Saipan as the keynote speaker. Mr. Cing highlighted what it means to be a veteran and to remember those who were drafted during the Trust Territory times who served during the Vietnam War as there are quite a few on island. Honorable Mayor Aldan showed gratitude and appreciation to our veterans as well as their families for being the courageous and selfless heroes they are to answer the call of duty when it is needed most. Keynote speaker Lt. Col. Barcinas told the story of what it is like to serve through the lens of a veteran. He told his dad's story serving in the Vietnam war and his story as an active duty servicemember. He inspired all who were listening to his speech. Finally, there was a beautiful surprise tribute done by father and son, veteran and Army Reserve Joseph Santos and his son Tyler Santos. Both of them read poems through the lens of a soldier and a civilian. The day turned out to be such a beautiful token of appreciation to our veterans and their families. On behalf of our island community, THANK YOU to all who has served and is still serving our great nation!

Veteran's Day Ceremony

DELA CRUZ IS NEW FIRE COMMISSIONER

On October 15, the 17th Tinian Municipal Council confirmed Raymond T. Dela Cruz as the new Department of Fire and Emergency Medical Services Commissioner. Dela Cruz served as Resident Department Head for the Tinian Health Center in the past before becoming a firefighter himself. After being the department long enough, Dela Cruz has a lot to offer his fellow firefighters in this leadership capacity. Present in the TMC Conference Room were firefighters, his family members, community members, friends, the Honorable Mayor Aldan, the Mayor's cabinet members, and the Tinian Leadership Team who were all in support of Dela Cruz as the new Fire Chief. Congratulations to Fire Commissioner Dela Cruz & we wish you all the best!

Halloween Festivities A Success

Events coordinator Joseph Hocog did it again making this year's Halloween festivities a success! From departments giving out Halloween candies at the Tinian Elementary School's parade, Halloween costume competitions for all ages, Trunk or Treat events at the Tinian Youth Center to a Haunted House for the public to enjoy - the kids had a wonderful time! Tinian Youth Center Manager Dorthy San Nicolas and her staff did an amazing job with the haunted house. Everyone who entered came out with a scare! And all the departments and private entities who participated in the Trunk or Treat did a wonderful job! But the best surprise of all was the limping skeleton who walked around with a piku scaring all those who crossed paths with him who in the end turned out to be the mayor himself! Thank you to all who participated and helped in making this event a success!

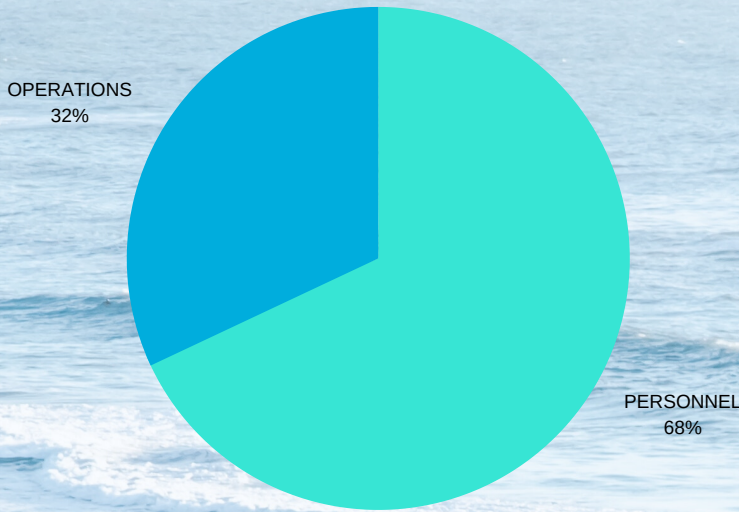

Congratulations Mr. Eric Reyes on receiving the Governor's Humanities Award for performing arts. Thank you for all that you do to sustain cultural dancing for our youth! Our community appreciates you!
